Hi Jon,

I did not receive the file attachment. My anti-virus blocked something while downloading all my mail and it may have been your attachment. May I ask you to send it to my PD e-mail at [rkoch@townofchapelhill.org](mailto:rkoch@townofchapelhill.org) ?

I have been telling everyone to sign up for your class when they can. I got more out of your course than any others I have taken in 23 years.

Thank you for putting it together. It was long overdue!

Becky
